16/12 at 6pm

Welcome to this week's newsletter!

Parents' Evening

Your child should have brought a letter home today with the date and time of your Parents' Evening appointment (s). Please contact class teachers if you haven't received it.

Children In Need

On Friday 15th November, pupils are invited to support Children In Need by coming to school in pyjamas, onesies or something spotty and bringing in a donation of £1.

CO-OP Funding

We had the amazing news this week that a total amount of £5169.75 has been raised for our school through the community funding at the Co-op. Enormous thanks to the Co-op, to Nichola Couch and Jacinta Hallows, who submitted the winning bid for us to receive the funding, and to all the families and members of the community who have supported by shopping there.

Project Homework

I think it is fair to say that all of the staff at school have been absolutely blown away by the quality of the project homework that has been brought into school this week. The range of work and the creativity involved has been incredible. The children have obviously enjoyed their projects and so much learning has taken place in the process. Thank you to all the family members who have supported them.

Remembrance

Thank you to everyone who has bought poppies and other merchandise this week to support the British Legion's Poppy Appeal. Items will be on sale again on Monday for children to buy. We will have two minutes silence in our assembly on Monday to remember those who have lost their lives in war and a group of children will accompany Mr Davies to a local remembrance service as representatives of Eaton Primary School.

Wishing you all a lovely weekend.

Kind regards
Lorraine Skellon
