14/2/20

Parents' Evenings  
Tues 10/03/20  
Thurs 19/03/20

Welcome to this week's newsletter!

### Governance Review

We have this week had our full external review of governance. We are delighted that the Eaton governors have received the 'Shaping Governance' award. This recognises the incredibly strong impact of our governing body on school improvement and ensuring high quality impact on outcomes. The governors will continue to support and challenge Mr Davies and myself as we move further forward as a school.

### Parent / Pupil Mornings

We hope that you will be able to attend the Parent / Pupil mornings over the next two weeks. The dates of all the mornings for the various classes are in the 'Diary Dates' section to the left. Children will be in the hall from 9:10am and will be able to be with parents until about 9:45am.

Please sign in at Reception and make your way to the hall, where refreshments will be available. We hope that you will enjoy sharing your child's learning with them and seeing the progress they are making.

### Parents' Evening

Children will bring home letters next week for you to book Parents' Evening appointments. Please return the slips before we break up for the half term holiday.

### Car Park

A reminder please to ensure that engines are switched off whilst vehicles are stationary and be extra vigilant in the car park when dropping off and picking up pupils to ensure that everyone is kept safe.

### Exciting News!

Congratulations to Mr & Mrs May, whose baby daughter, Martha Ellen May, was born on Monday 27<sup>th</sup> January. All are doing very well.

Wishing you all a lovely weekend.

Kind regards  
Lorraine Skellon
